

**Healers versus Stealers: How to Outsmart the Thief in Your Practice**

David Harris

Doubletree Hotel: Michigan II & III

Lansing, MI

April 19, 2024

08:30 - 11:30

Because my presentation discusses **specific embezzlement methodologies** used against dental practices, for security reasons, we only provide handout materials to course attendees.

Attendees at my session (who are limited to doctors only) will be given access to my slide deck and several valuable bonus materials at the time of the presentation.

If you are unable to attend my session but wish to contact me privately, please use one of the following:

<b>Phone</b>	<b>888-398-2327</b>
<b>Web</b>	<b><a href="http://www.prosperident.com">www.prosperident.com</a></b>

Thanks. I'm excited about my presentation, which will feature several interesting case studies and plenty of new material, and I look forward to seeing you there.
